The maximum aggregate deposits permitted at any one time to be made by the Company together with its subsidiaries and jointly controlled entities will be RMB1.7 billion for the year ending 31st December, 2015. Save for the aforesaid revision made under the Supplemental Agreement 2014, the CR Bank Strategic Cooperation Agreement 2013 remains unchanged.

As the applicable percentage ratios for the Supplemental Agreement 2014 are more than 0.1% but less than 5%, the transaction shall only be subject to the reporting, announcement and annual review requirements under Chapter 14A of the Listing Rules and exempted from the requirement of the independent shareholders' approval.

BACKGROUND

Reference is made to the announcement of the Company dated 23rd April, 2013 in relation to the entering of the Supplemental Agreement and the announcement of the Company dated 31st December, 2013 in relation to, amongst others, the CR Bank Strategic Cooperation Agreement 2013.

THE SUPPLEMENTAL AGREEMENT 2014

On 19th December, 2014, the Company and CR Bank entered into the Supplemental Agreement 2014, pursuant to which the CR Bank agreed to provide deposit service to the Company together with its subsidiaries and jointly controlled entities. The maximum aggregate deposits, including any type of cash management which is regarded as deposit under the Listing Rules, the specific agreement and the accounting treatment, permitted at any one time to be made by the Company together with its subsidiaries and jointly controlled entities will be RMB1.7 billion for the year ending 31st December, 2015. The interest rate of any deposit will be assessed with reference to the rates published by the People's Bank of China as required and such rates shall not be lower than the actual floating rates offered to the preferred customers of CR Bank.

The turnover and total assets of the Group increased significantly from HK\$13.6 billion for the year ended 31st December, 2012 and HK\$37.7 billion as at 31st December, 2012 respectively to HK\$22.3 billion for the year ended 31st December, 2013 and HK\$50.5 billion as at 31st December, 2013 respectively. For the six months ended 30th June 2014, the turnover of the Group was approximately HK\$12.9 billion and the total assets as at 30th June 2014 was approximately HK\$53.0 billion. As at 30th June, 2014, the Group's deposits at CR Bank amounted to RMB1,192.79 million.

Under the Supplemental Agreement, the deposit cap of RMB1.6 billion with CR Bank for the deposits services thereunder will expire on 31st December, 2014. In view of the continuous expansion in the operational scale and geographical coverage of the Group, it is expected that the Company together with its subsidiaries and jointly controlled entities will continue and deploy more deposit services from CR Bank and thereby increase the deposit cap with CR Bank from RMB1.6 billion for the period ending 31st December, 2014 to RMB1.7 billion for the year ending 31st December, 2015 in order to provide greater flexibility in the management of its cash resources.

Save for the aforesaid revision made under the Supplemental Agreement 2014, the CR Bank Strategic Cooperation Agreement 2013 remains unchanged.

The directors of the Company, including the independent non-executive directors, are of the view that the entering of the Supplemental Agreement 2014 has been conducted on normal commercial terms, and the terms therein are fair and reasonable and in the interests of the Company and the shareholders of the Company as a whole.

None of the directors of the Company has a material interest in the transactions contemplated under the Supplemental Agreement 2014.
