LETTER FROM THE CHAIRMAN

RECOMMENDATION

The Directors believe that the proposed general mandate to issue Shares, the Repurchase Mandate and the proposed re-election of retiring Directors are all in the best interests of the Company as well as its Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

By Order of the Board
China Resources Gas Group Limited
WANG Chuandong
Chairman

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide information to you with regard to the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,224,012,871 Shares. Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, exercise in full of the Repurchase Mandate could accordingly result in up to 222,401,287 Shares (representing 10% of the issued Shares as at the Latest Practicable Date) being repurchased by the Company during the course of the period prior to the next annual general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

Repurchasing of Shares will be funded entirely from funds legally available for the purpose in accordance with the memorandum of association and bye-laws of the Company and the applicable laws of Bermuda. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company before the shares are repurchased.

There might be adverse effect on the working capital or gearing of the Company upon the full exercise of the Repurchase Mandate when compared with the working capital and gearing position disclosed in the audited accounts contained in the annual report for the year ended 31 December 2015. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels in the opinion of the Directors.

4. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by the Shareholders.

No core connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

However, if as a result of a share repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, CRN is interested in 1,422,298,991 Shares (representing approximately 63.95% of the total issued Shares as at the Latest Practicable Date). In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution referred to above, then (if the present shareholdings remain the same) the attributable interest of CRN would be increased to approximately 71.06% of the issued Shares and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in the amount of Shares held by the public being reduced to less than 25%.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:–

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
April 2015	27.60	23.70
