CR GAS INCLUDED AS A CONSTITUENT OF HANG SENG CHINA-AFFILIATED CORPORATIONS INDEX

China Resources Gas Group Limited (“CR Gas” or the “Company”, stock code: 1193; together with its subsidiaries, the “Group”) is included in the Hang Seng China-Affiliated Corporations Index (HSCCI) on 4 June 2012.

The HSCCI comprises red-chip companies that have their primary listing on the Main Board of the Stock Exchange of Hong Kong.

Mr Wang Chuandong, Chairman of CR Gas, said: “We are pleased that, after our recent inclusion in the FTSE China Index and FTSE Hong Kong Index in March 2012 and the MSCI China Index in November 2011, CR Gas has once again been selected to be included in one of the most important benchmark indices for the capital market. Being one of the 25 HSCCI constituents not only affirms our strategies and performances, but also serves to strengthen investors’ confidence in the Group. Looking ahead, we will continue to sharpen our competitive edge, grow our business and consolidate our leading market presence in the downstream city gas distribution business.”

About CR Gas

CR Gas is principally engaged in downstream city gas distribution business including piped natural gas distribution and CNG (compressed natural gas) filling stations operation. Its operations are strategically located in areas of China with rich reserves of natural gas and areas which are economically more developed and densely populated. CR Gas aspires to become a respected market leader in downstream city gas distribution business in China.

As at 31 December 2011, the Group operated 73 city gas projects in 16 provinces including six provincial capitals and one direct administrative municipality with annual gross gas sale volume of some 7.2 billion m³ and 10.5 million residential customers.
